These Yagyas are specially designed by Acharya Kalki Krishna to counteract specific problems of the person sponsoring the Yagya. These Yagyas, known as Rama Ban (Arrow of Lord Rama-Literal meaning Sure shot), are actually combination of specific Planetary Yagyas and Divine Yagyas, as per the exact requirements of the client. The research team of Astro Vaastu Kendra, under the able, efficient and result oriented guidance of Kalki Krishna, has chosen specific Mantras from ancient Agam, Nigam and Shabar scriptures and devised and planned them with other Yagya procedures in a very effective manner, to give you the fullest satisfaction.

We have designed following special purpose Yagyas, based on the most common problems faced by our clients. However, in case of any specific requirement, not being covered by this list, our team will devise specific scheme of Yagya for the same:

Business Success Yagya

Highly recommended for the established businessmen and industrial tycoons, this Yagya not only ensures continuance of success stories, but also takes care of unforeseen hurdles and obstacles.

The exact constituents of this Yagya, the deities/ Grahas to be propitiated, the Mantras to be recited, the materials to be used in the Yagya are finalized only after going through the nature of the business of the client.

Free Yagya Recommendation

» What is yagya?

Yajna also called as "yaga, homa or havana", is a ritual of sacrifice derived from the practice of Vedic times. It is performed to please the gods or to attain certain wishes.
