Dear Jerry,
Namastey,
I hope you are doing well.
I just wanted called you twice on your telephone but had no luck.

Your Yagya starts on 11th September and almost all preparations have been done. However the account inquired about your first payment as we agreed, so that upon receipt they can arrange the rest of Yagya. Could you please let me know if you have already sent the wire. If so then please let me know the details. But if you haven't done that yet, then please do it on urgent basis as wire too takes 2-3 days to reach and we have only 2 working days to go.

In case if you feel better to transfer in our US account then please let us know. In that case I will give you US (Bank of America) account for speedy transfer.

Please do respond soon.

Regards
Sushil Bhatt
